# TAKARA NO TANI HIGH SCHOOL'S ANTHEM

## 1. Heartwarming light filled the valley

O the flame of youth that dwells in our eyes,

Here we pledge to the days spent studying and striving together

Is the high mountain my ego?

What do we see beyond it?

Oh Friends, oh Dreams, there's nothing to be afraid of

Ah, Takara no Tani, our feet shall not stop

## 2. Noble young people who pass down tradition

Friends' smiles that reflect in one's eyes

The future eventually becomes our past;

in the present we shall fly free

Is the steep mountain just a dream?

Days spent striving hard is proof

Oh Friends, oh Dreams, there's nothing to be afraid of

Ah, Takara no Tani, my home for learning

※ In the graduation ceremony, only 3rd year  
students will sing the second stanza in unison.

## TODA TAKESHI (1-G)'S CASE

• Even if it's okay to not wear a necktie under school rules, "instead of trying too hard to be like a delinquent and end up being even more unfashionable," I might as well wear it, since it looks trendy. • Among the cultural clubs, the strictest would be the drama club and brass band. • The photography club president is a Nikon camera fan. (Said Nikon's shutter sounds are the coolest).

• 3-A's Otabe-san is the type of person that

• 2-C's Oujir-san (on the Lunch Broadcast)

has a fan club, and the club members

THE PORTRAIT  
HE DECIDED  
TO DRAW AFTER  
BEING MADE  
FUN OF AND  
TOLD, "HIJIRI'S  
DRAWING SKILLS  
ARE A BIT IFFY."

... Can I  
have this?

It's only because I  
didn't feel well today.

No way, you and Yuki  
(Sayuri's younger brother)  
will make fun of me  
about it, won't you?

## OUJI MITSUKI (2-C)'S CASE

What's this?

It's a game where you have to get the code at first glance. Oukouchi-kun doesn't play any games, so I won't explain.

It'll be a waste of time.

It's Oukouchi-sensei as in teacher! Get it? It's sensei because I'm a teacher!
